

Welcome to Year 2

Dear children,

I am Miss O'Neill and I will be your new class teacher. I am very excited you are all going to be joining me in Year 2. I am looking forward to teaching you and getting to know you better next year. In September, school may be a little different and we will all experience different ways of working but I know we are going to have a fabulous, positive and fun year, filled with lots of new learning and laughter.

In Year 2 our aim is to be excellent role models for the younger children and show them how to live out our school mission - 'Love One Another.' Also, we will be working on becoming more independent learners, strive to do our best, achieve our full potential and embrace challenges. I will always be there to help and support you along the way.

I have been busy planning all the fantastic topics we are going to do next year. You will be learning about:

- The Victorians
- Nottingham
- The Great Fire of London
- Nurturing Nurses
- The Caribbean

You will also be developing and building on the Maths and English skills you already have.

Over the summer, keep reading. I love reading! I want to hear about all the wonderful books you have read. You could also keep a diary to

remind yourself of all the adventures you get up to. You will then be able to tell me and your friends all about them in September. Also, practise your maths skills. You could count objects on walks, use money in a shop, practise telling the time, learning your 2 and 10 times tables and practise adding and subtracting. Do not forget the great work you have done in Year 1.

For now, I hope you have a lovely, relaxing summer which you have well and truly earned. Enjoy time with your family and stay safe. I am looking forward to seeing all your smiling faces in September.

If you need anything over the summer or just want to say hello, please email me and I will get back to you as soon as I can. Email - Year2@st-margaretclitherow.nottingham.sch.uk

Bye for now, take care and have lots of fun!

Miss O'Neill
