

[www.mathletics.com](http://www.mathletics.com)

Dear Parents,

At St Margaret Clitherow Academy we believe maths should be fun, engaging and enjoyable. Mathletics is an exciting online resource which encourages children to practice and consolidate what they have learnt in maths, so they can become confident mathematicians.

Your child has been given a username and password so they can log onto the mathletics website ([www.mathletics.com](http://www.mathletics.com)) where they can complete a variety of activities to support their learning in maths. It is a wonderful resource which is funded by the school, children can earn points and gain bronze, silver or gold certificates which are celebrated during Friday's assembly. Please encourage your child to make full use of their mathletics subscription.

You will find your child's login details attached to this letter along with information on how you can track your child's progress as a parent.

We look forward to seeing and celebrating all our mathletics achievements this year.

Kind Regards

Mrs Smith
