Christmas Holidays

## *We're going for an Autumn Walk!*

We are looking at Autumn being a time when plants begin to change colour and seeds fall from trees. The children are investigating what happens to them. On our Autumn Walk we will be collecting leaves and seeds to make a colourful display.

The children will be planting bulbs ready for the New Year.

## Look what we're doing in our R.E. topics!

**Myself** – children will be able to wonder about why their name is important and will recognise that God knows and loves each person by name

**Welcome** – children will learn about Baptism as the way they are welcomed into God's church

**Birthdays** – children learn about the joy of celebrating a birthday. They will recognise the Nativity story and signs that indicate the approach of Christmas.

## *Why not help your child enjoy reading?*

We ask you to keep up the support in sharing books with your child, talking about the pictures, asking them to predict outcomes and retell the story. Phonics learning is ongoing and we encourage you to talk about initial sounds and common words used frequently, e.g. Mum and Dad, own name etc.
