

DEEPENING UNDERSTANDING SCIENCE DEPTH TASKS

REASONING 1

Marlon has sorted animals.

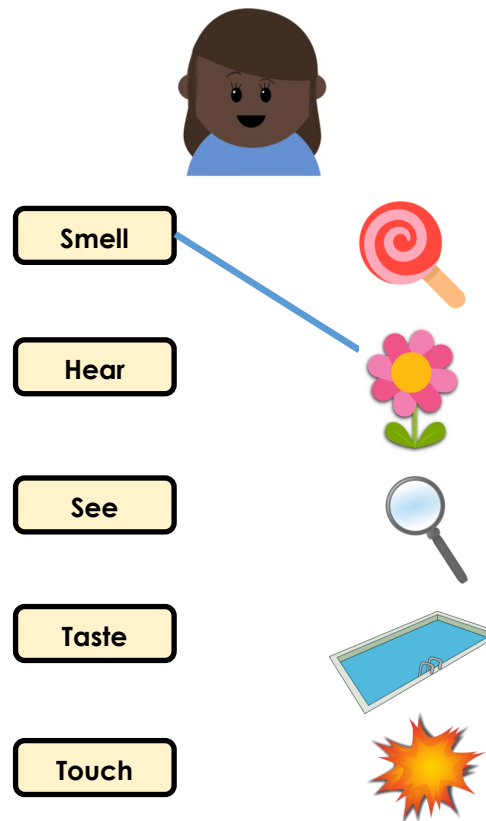

Pets	Wild Animals
 Lion	 Dog
 Dolphin	 Cat
 Snake	 Rabbit

Can you spot any mistakes?

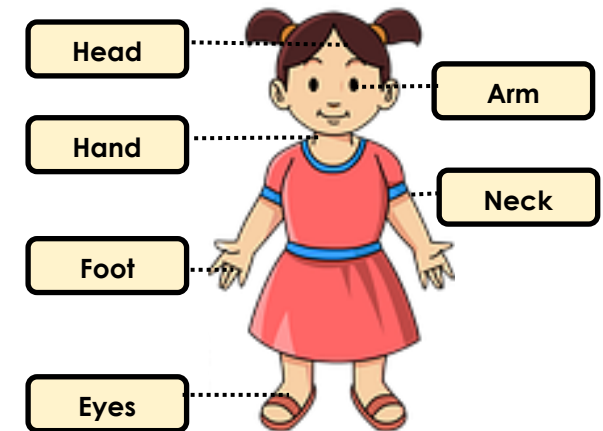

REASONING 2

Can you help Anita to match the senses she needs for each object?

REASONING 3

Oh no! Year 1 have muddled up the labels on their diagram.

Can you correct their mistakes?

DEEPENING UNDERSTANDING SCIENCE DEPTH TASKS

REASONING 4

Oh no! Some of the labels have fallen off Darcy's work.

Bird

Mammal

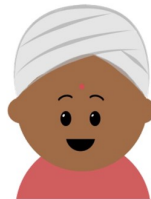

Reptile

Amphibian

Can you help her to label the animals?

REASONING 5

Ranjit says...

Carnivores only eat animals.

Jerry says...

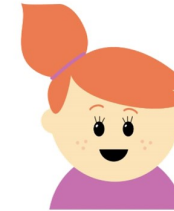

Herbivores only eat plants.

Now...

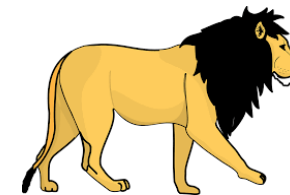

Can you describe an Omnivore?

REASONING 6

Millie says...

These animals have some things the same and some things different.

Can you explain what Millie may have noticed?
