

Hello Everyone,

This week there is a focus on symmetry and elements of shape and position. This builds on from triangles and quadrilaterals last week.

History and English are going hand in hand with the Greek myths for reading comprehensions and one myth to up level into paragraphs and quality writing.

I shall see some more of you this week as Thursday and Friday Team A are coming in and next week Team B will be in the following Monday and Tuesday only.

This will be the final week on Greek myths and the final week we shall focus on the legacy that they have left us.

Take care

Mrs Hunka
